Subj: RECRUITMENT AND HIRING OF ON-BASE GOVERNMENT OR CONTRACTOR
EMPLOYEES TO PERFORM ON CONTRACT N68836-17-C-0001

Dear (b) (6)

1. Port Operations Support Services at U. S. Naval Station, Guantanamo Bay (NSGB) are vital to the Government due to the critical operational needs of NSGB and must be continued without interruption. The Contracting Officer has received copies of several resignation letters from Munilla Construction Management, LLC (MCM) Foreign National (FN) employees resigning their positions effective April 30, 2017. MCM's Contract N68836-15-P-0627 does not expire until May 31, 2017 and a loss of personnel could cause a major disruption to the daily NSGB operations.

2. Paragraph 1.2.1.4 entitled "Local Labor" at Technical Exhibit 9 as incorporated in the solicitation N68836-16-R-0003 and Contract N68836-17-C-0001 provides that "Recruiting of labor and hiring Government or Contractor on-base employees by offering higher wages or other amenities shall not be permitted. Accordingly, personnel which the Contractor proposes to use, shall be approved by the KO."

3. Any incumbent MCM employee resigning as a result of Seaward's request prior to the expiration of MCM's contract on May 31, 2017 is a violation of Technical Exhibit 9. The Contracting Officer will not authorize any individual that is currently employed by MCM to perform under Seaward's Contract N68836-17-C-0001 prior to the expiration of MCM's contract on May 31, 2017.

4. If Seaward is improperly recruiting any of MCM's employees, you are hereby directed to stop immediately. The Contracting Officer will take appropriate action against Seaward if your firm is in any way poaching MCM's employees in violation of Technical TE-9.

5. If you have any questions, please feel free to contact Elaine Florence, Contract Specialist at 904-542-1657.

Sincerely,

Darryl Nelson
Contracting Officer
